The Officers of the Burgettstown Midget Football Organization would like to thank the parents, the coaches and volunteers who have donated their time to making the organization a success again this year. Without the parents and generous volunteers, the Burgettstown Midget Football Organization could not continue to assist in producing fine athletes.

To the coaching staff of all three Lion Teams, we would like to acknowledge your time away from your families, dedication to the program and being positive mentors for both these talented boys and girls.

To the merchants and sponsors of the following pages and those who remain behind the scenes for their generosity during the football season, we could not have such a successful organization without your help! Thank you for your loyalty to the organization and the boys and girls.

Please continue to support our community businesses who support our Burgettstown Lions.

Words cannot express how proud of you I am. Watching you grow with the team and develop has been an amazing experience. Whenever you find yourself doubting how far you can go, just remember how far you've come. You have to be willing to take the hit and be strong enough to get back up.
