This copy of the 1810 Brooke County, Virginia Census was made from microfilm...Census takers apparently used phonetics spelling in most cases, therefore original spelling was used as far as could be determined. Where some names could not be deciphered a question mark is used, however part of the some names were included to give help to those searching for a certain name.

Columns are headed as follows:

1.   Free white males under 10 years of age
2.   "   "   "   10 years under 16
