Nominate and Elect: Harry Sabatasse

SMITH TOWNSHIP SUPERVISOR

ATTENTION: SMITH TOWNSHIP VOTERS!

Harry Sabatasse announces his candidacy for Smith Twp. Supervisor.

He is a candidate because he feels that he can make Smith Township a better place in which to live. If Harry is elected, he will improve township operation with the following procedures:

- (1) Maintain and repair roads.
- (2) Police protection that the township badly needs.
- (3) Work for passage of zoning and planning ordinances to protect township property owners against hazardous conditions such as junkyards or some obnoxious business sprouting up near your homes. These obnoxious conditions are presently causing a great amount of displeasure to Burgettstown Borough residents.

Your support will be the first step toward making Smith Township a better place in which to live. (POL. ADV.)

**SCOTT SERVICE ANNOUNCES
NEW CHEVROLET PRICES**

The Chevrolet Motor Company Friday announced that, effective with the introduction of its new passenger car models, prices of three of its six Master de luxe models were reduced below the levels of the 1935 prices, the other prices in this line remaining unchanged. Master de luxe models are available with either conventional spring suspension or with knee action at slight additional cost.

Prices for the new line of Chevrolet Standard models, which introduce fine car completeness and luxury to the lowest-priced field, range from \$495 for the coupe to \$600 for the sport sedan. Chevrolet for the first time offers a sport sedan and a town sedan in the Standard line. Like the Master de luxe Chevrolets, the new Standards have perfected hydraulic brakes and solid steel turret top Fisher bodies. They are of longer wheelbase than the 1935 Standard series, and there is a full line of models available.

Prices of the two lines are as follows: Master de luxe — Coach, \$580; sedan, \$640; town sedan, \$605; sport sedan, \$665; business coupe, \$560; sport coupe, \$590.

Standard — Coach, \$510; coupe, \$495; sedan, \$575; town sedan, \$535; sport sedan, \$600; sedan delivery, \$535.

First showing of the new models was made with the opening of the automobile shows Saturday, and in Scott Service Co., salesrooms, Burgettstown. Officials of the company declared that more than 6,000 of the 1936 models were built and shipped up to the end of October, and that all the 10,000 Chevrolet dealers have received new cars for display and delivery. Production schedules for November and December have been set at the highest figures for any corresponding months in the history of Chevrolet.

With tanks from your dollars the battles are won

No longer are we hearing the sad line, "Too little—too late." Our industries are swinging into the job of making fighting tools for fighting men. But we must keep those assembly lines rolling. Your dollars invested in U. S. Bonds are providing the bombs, the planes, the tanks, the ships, the guns for our fighting men all over the world. All you have to do to help give our fighting men the tools they need to win and the equipment they must have to protect their own lives, is to save your money in the best and safest investment in the world. A volunteer worker of the Second War Loan Drive will tell you about bonds to fit your saving needs. Uncle Sam has set 13 billion dollars for the goal in this drive. Buy *more* bonds for another push to Victory.

For Just \$8,750, Star Lake Concertgoers Can Get The Best Seats In The House

Want to avoid the hassle of standing in long lines at ticket outlets to purchase seats for concerts at Star Lake Amphitheatre?

For just \$8,750, you and three friends can have the best seats in the house for every summer concert.

That's the going rate for four metal chairs and a table at one of 32 VIP boxes at the amphitheater, which officially opened Sunday, June 17, in Hanover Township.

If you have too many friends, there are also a few six-seater boxes that rent for \$13,125 for the season.

The package deal includes — in addition to the prime seating — tickets to all of the concerts (about 40), invitations to some pre-concert parties, and a waitress that will come to your table to take food orders.

The food is not included in the price of the box.

And what do VIPs eat while watching concerts? Here's what's on the Star Lake menu at the VIP tables:

- Iced jumbo shrimp — \$20.
- Brownies, cookies and an apple pie — \$30
- Baby cheeses, sliced pepperoni, seasonal fruits — \$45.
- Antipasto hoagies, served with penne pasta salad, fresh fruit salad and brownies — \$55.

Most of the orders, which serve six, are delivered in picnic baskets.

VIPs with big appetites can opt for one other selection, a deluxe picnic basket that includes barbecued chicken, ribs, shrimp, red skin potato salad, sour dough bread, cheddar wedges, apple pie, strawberries and beer nuts. The check comes to \$90 — not including sales tax and tip.

Interested? Don't write any checks yet — all of the boxes are sold out for this season.

OPEN SECOND FOOD MARKET

LEROY H. MITCHELL

The announcement of the opening of a second store by Partners Wagner and Mitchell last Saturday brought forth an avalanche of food orders and resulted in a sell-out of featured articles as advertised in the Enterprise. By popular request these stores will repeat last week's bargains.

George Wagner, Jr. came to Burgettstown in 1932 and was first employed in the Butler store on North Main street. Eventually he became manager of the Butler store opposite the Peoples Bank building and about two years ago in partnership with Mr. Mitchell became owner of this store. Mr. Wagner graduated from West Newton high school in 1928 and until 1930 was employed in the coal

mines in the Bulger Block. From 30 to 32 he was employed in an A. and P. store at Frederickstown. He is married to Wilma Christopher of Frederickstown and they have a four months old daughter, Wilma Carole.

LeRoy H. Mitchell, partner in Wagner and Mitchell's two Food Markets is a graduate of Washington high school, class of 1924 and worked in Butler Food Markets at the County Seat until 1930, when he was employed by the Butler Market in Burgettstown and has been here ever since, working for Butler's until he acquired his own interest in the business. "Butch" as he is familiarly known is married to Hilda Vichick former Avella girl.

NOTICE to all DEPOSITORS

Interest Rates

Beginning February 1, 1941, this bank will reduce the rate of interest on Savings Accounts and Time Certificates of Deposit from 1½ per cent to 1 per cent per annum.

The Board of Directors find this action necessary due to the extremely low return on United States Securities and other high-grade short-term investments in which banks must invest a large portion of the Depositor's funds.

In addition, Federal and State Taxes have been greatly increased.

Christmas Savings Club

The Washington National Bank Has Opened a Christmas Savings Club for the Year 1915
ANSWERS TO SOME QUESTIONS WE HAVE BEEN ASKED ABOUT IT

What is the Purpose of the Christmas Savings Club?

The purpose is to help you and others accumulate a fund for Christmas.

In What Manner Does the Christmas Savings Club Accomplish This Purpose?

By each member paying in a small sum each week for 50 weeks. Two weeks before Christmas each member will receive the total amount paid in with 3 per cent. interest.

Does Everybody Pay in the Same Amount?

No. There are five classes and numbered respectively 1, 2, 3, 25, and 50. The payments are different in each class.

What Are the Payments in Class 1?

The payments are 1c the first week, 2c the second week, 3c the third week, and so on for 50 weeks, making the payment for the last week 50 cents.

Is There a Membership Fee, or is there Any Cost to Join?

No.

What Do I Do to Become a Member?

All that is necessary is to go to THE WASHINGTON NATIONAL BANK, ask to be enrolled as a member and make the first week's payment or more.

What Will the First Payment Be?

It will be 1c, 2c or 5c, or according to the class you join.

Begin NOW to Accumulate a Fund for Next Christmas.

How Are the Payments to be Made?

Weekly or in advance for as many weeks as you desire.

What will Happen if I Cannot Keep Up with My Payments, or Discontinue?

You may discontinue for any reason at any time, and at the period when the club closes, you will get a check for all you have paid in, but in such a case no interest will be allowed.

When and How Can I Withdraw?

Under no circumstances will any withdrawals, either in whole or in part be allowed. What you deposit will be held for you until two weeks before Christmas.

What Form of Receipt Do I Get when I Make Payments?

For every week paid the amount is punched on the card, which you will keep in the envelope we give you when the account is opened.

What would happen if My Card were Lost, Stolen or Destroyed?

As we have a complete record of the payments of every member we will pay your share to you whether you have the card or not. The card is of value to you only for the purpose of verifying our record.

Can I Become a Member of More Than One Class?

Yes; you can join one or all of the classes.

When Can I Join?

You can join any day of the week beginning to-day, until February 1st, 1915.

Will You Join? Will You Invite your Friends to Join?

Not ENOUGH LIGHT

..... so he is
STRAINING HIS EYES

THAT schoolboy of yours is just beginning to use his eyes for close, concentrated seeing. If you fail to provide him with good light for studying, he may do his eyes permanent harm.

ONE school child in every five has impaired vision. At college age, two in five are either wearing glasses—or should be. Science now tells us that *not enough light, glaring light and improperly distributed light* are among the prime causes for these eye defects.

YOU can give your child's eyes the proper care! Have the little fellow's eyes examined *every year* by an eyesight specialist . . . and make sure of good light *at once!*

NEW APPROVED "I. E. S." LAMP PROTECTS THE EYES

AN entirely new type of lamp . . . designed and approved by the Illuminating Engineering Society to relieve and minimize eyestrain. Ideal for reading and study, providing 6 to 10 times as much light as an ordinary lamp.

Should Be Restored

In Smith Township

With taxes at their highest level and still going up, and with the present employment problem, BILL SZTUKOWSKI says, "I feel that all public officials should do everything to give best possible service to everyone. People in Smith township should be permitted to pay their taxes in the most convenient manner. They should be able to make use of the part-payment plan."

"Right now a tax payer has to come up with all his payment at one time. He should be able to pay his taxes in installments."

A vote for BILL SZTUKOWSKI, the man who believes in good service, is a vote for Smith township people.
