CHIRI BOWLERS DO IT AGAIN

For the second straight year, the Chiri Buick Co., bowling team has won the championship in the women's rollofs at Slovenian Alleys May 10. The Chiri team thus completed it's second straight "slam", having won the Women's Community League title and the rollofs two years in a row.

Each team was eliminated in the rollofs after a loss, but the Chiri keglers proved their dominance by refusing to fold and came through with flying colors. This is the finals of the bowling season.

Pictured above in a new Buick are driver Captain Mary Gonzalez, sensational bowler and anchor lady of the team; Alvera Alvarez, Alvin Chiri, sponsor; Irvine Garcia, Mary V. Maslyk, and Mary V. Louder.

Said Mr. Chiri, "I have a great team and wonderful girls."

Climax Bowling Team Competes

Pictured above is the Climax bowling team currently entrenched in last place in the second half standings of the Burgettstown Community Bowling League.

After a fairly respectable finish in the first half play, the team has been unable to put

together a consistent winning combination during the second half. Captain John "Gabby" Kriznik contributes his team's poor showing to a lack of experience since the majority of the bowlers are competing in league competition for the first time.

From left to right, in the first row, are M. Rozmus, R. Lounder and J. Madera. In the second row are J. Kriznik, S. Dugas, B. Morris and H. Peles. Not pictured: P. Smith, J. Toczek and H. Kelley.
