JOURNAL

BURGETTSTOWN, WASHINGTON COUNTY, PA., OCTOBER 6TH AND 7TH, 1859.

The Union Agricultural Association WILL HOLD THEIR FOURTH ANNUAL FAIR. AT BURGETTSTOWN, ON THURSDAY AND FRIDAY. OCTOBER 6th and 7th, 1859.

WOX WIN

We present our Fourth Annual Premium List to the patrons of our association, with our most sincere thanks for the generous manner in which we were sustained at our last Fair, which rendered it, in all its parts the most complete exhibition ever offered in the county.

We assure our friends that nothing shall be wanting on our part to merit a further continuance of their favors, and that we have adopted regulations by which we hope to give satisfaction to all, and to insure a perfectly fair competition for the Premiums on our list.

Our list of Premiums is the largest and most varied that has ever been offered in the county, embracing nearly all the staple productions of the district, encouraging and fostering all alike, and giving undue preference to none.

Farmers to whom our journal may come, and who wish to improve their stock, are invited to attend our Fair, with the assurance that there will be on exhibition, more first quality stock, than can be found collected at any other place within the county.

The ladies are requested to observe that we have even exceeded our usual liberality in their department, and that we offer more and better Premiums, than are offered by any other similar Society.

To all we would say, that as the success and permanency of our association depend upon the manner in which it is appreciated and supported by the public, so we invite all to unite with us, to render our coming Fair as complete as was our last, and, if possible, more attractive; to bring for exhibition anything and everything of superior excellence, whether useful or ornamental, being assured that our Discretionary Comsnittees in the ladies' and in the gentlemen's departments will, as formerly, give suitable and generous awards, whether embraced in our Premium List or not, and that numerous as are our premiums, we hope and expect to pay all awarded, and which are demanded within the specified sime, without discount or abatement.
