## West Point Cemetery Association Parker Road, Avella , PA

The original cemetery was the began with the pioneer Patterson family. The earliest Patterson burial being Margaret Lyle Patterson (1796-1863). Her husband, William Patterson (1796-1879). The earliest grave known is Jennie C. White, the daughter of David and Jane Campbell White (-1860). In 1917, the cemetery grounds were acquired from the Patterson Family and the West Point Cemetery Association was formed. Louella Sutherland was the original record keeper and for many years did this task for the community.

2017 will be the hundredth anniversary since the founding of the cemetery association. The well cared for grounds of the cemetery and headstones have been well kept by generations of association members and staff.

Contact information for the cemetery is:  
Secretary-Treasurer: Rosemary Kirschner, 724-587-3153.  
Sales: Linda Gagliani, 724-587-5616, call evenings.
